Recent Donations

- NURSES WEEK (May 2008): Donated one Tree of Life® ring to Phoenix Children's Hospital:

We would like to thank you for contributing the beautiful Tree of Life Ring to honor our nurses during Nurses Week. The winner of the ring was a very special and deserving nurse educator on our cancer unit. She has worked for our hospital for over 20 years, and is currently conducting research that will ultimately help families make decisions about preserving their children's fertility before they undergo cancer treatment. She is also working hard on her bachelor's in nursing and will graduate this summer. The gift certificate for the ring was presented to her after she came back to the hospital to present her research to the night shift at 10:00p.m. We are grateful to you for offering such a lovely gift to present to her in honor of her efforts. We appreciate your generosity in helping us celebrate the excellent care our nurses provide to improve the lives of our patients and families.

- Donated two Tree of Life rings to Good Samaritan Hospital, Phoenix, Ariz.
- Certificates for custom rings awarded to the select recipients during Nurses Week celebrations.
